RULES SUMMARY SHEET

Influence (XXIII.C.G.) – One of a lady's qualities. Wife's/mistress' I assists in requesting a transfer (modify 1D10 result by I of wife & all mistresses), avoiding duels (on 1D10 result $\leq$ I of lady with highest I), & seeking office (subtract I of selected lady).

In Garrison Phase (III.A) – Senior Grogard deals clockwise face up from in garrison deck beginning with Grogard to his left. Grogards act on cards.

Injured Party (XVIII.B) – For disgracing the command, insult, Card 52 (Burger Insults Napoleon), loan terms violated to lender's disadvantage, mortal enemy, or being made a cuckold.

Legion of Honor (XVII.A, B, E) – 5 levels in Legion of Honor. Check for award after battle & per cards. Roll 1D10. If result $\leq$ battle G for all sources $\pm$ S $\div$ 4 down, award/increase level in Legion. Arms of Honor until Card 31.

Loans (X.F) – Voluntary transfer of M during round between non-absent Grogards in same commands on any mutually agreed terms. If terms violated to lender's disadvantage, lender is injured party.

Magnanimity (XVIII.G) – Grogard can elect not to roll on Wound Table for winning duel. G+5 in addition to other results. Opponent may show fanaticism.

Marechal (VI.D) – Military rank and title. Available once Creation of the Marshalate event (Card 31) occurs. Collect income for marechal rank (but not also for general rank).

Meet A Lady (XXIII.B) – Bring new lady into play. Roll for her C, I, & M. May also court/propose (need not be to same lady).

Money, Paris & Purse (X.B, XXIII.G, H) – M per wife's M quality x3 to Paris. Support comes from Paris M. Money received from all other sources goes to purse except when prisoner.

Money Transfer & Tax Phase (X.C) – Move Money between Paris & purse. After transfer, Paris M-10% down for taxation.

Office (XVI.B, C, D) – Must first seek office to hold office. M+10 to income. May practice corruption.

On Campaign Phase (III.A) – Senior Grogard deals clockwise face up from on campaign deck beginning with Grogard to his left. Grogards act on cards.

Plundered (X.E) – When taken prisoner, lose all purse M. For Unit Overrun/Unit Decimated Combat Card: Act of Glory-reduce Purse M by % = $(1D10-1) \times 10$ down; Act of Discretion-reduce Purse M by % = $(1D10-5) \times 10$ down. No plunder if modified 1D10 result is ≤ 0 .

Prisoner (XIX.C) – Prisoner if $2D10 \leq P$ value or per Assignment Sheet or per Wound Table at Fate Sheet. Lose all Purse M. Absent until prisoner exchange. No Legion of Honor, title, or promotion when Grogard becomes prisoner. No prisoner if act of discretion.

Prisoner Exchange (IV.H, XIX.C) – If a prisoner, Grogard returns to play at start of next campaign season. No exchange between Campaign Seasons XIV & XV.

Protect Comrade (V.H) – Comrades in arms heroic act to nullify wound of a comrade who is gravely/severely/badly wounded. See Comrades in Arms Chart.

Reckless Daring (V.H) – Comrades in arms heroic act. Both comrades in arms together must agree to perform this heroic act. See Comrades in Arms Chart.

Recovery Phase (XX.C) – Roll 1D10 & add # full rounds in convalescence x3 (gravely wounded), x5 (severely wounded), or x8 (badly wounded). Recover if modified 1D10 result ≥ 10 .

Recovery & Health Phase (XI.B) – Same as Recovery Phase. Also, non-absent Grogards participating in on campaign round lose H-1. Grogards who are prisoners also lose H-1.

Request Transfer (IV.C) – Sergeant through major: Request approved if $1D10 \geq S$ (#); colonel through general de division: request approved if $1D10 < N+15$ (colonel), 20 (general de brigade), or 25 (general de division) rounded down; general or marechal: not permitted. Can modify 1D10 result by wife's & mistress' influence.

Rescue Comrade (V.H) – Comrades in arms heroic act performed when one comrade becomes a prisoner in order to nullify his capture. Wound level unaffected. See Comrades in Arms Chart.

Rescue Prisoner (XXVII.A, B) – (optional rule) Not performed by comrades in arms. Grogards in same command during battle announce if they will attempt rescue. Divide W & P by # Grogards attempting rescue (round up) & each roll for W & P. Grogards not killed, gravely/severely/badly wounded, or captured take part in rescue. Prisoner-Grogard then rolls 1D10 & escapes if 1D10 result $\leq$ # of rescuing Grogards x2. M of rescued prisoner remains lost. See chart in rules for increase to N, G, & S of rescuers.

Retire Mistress (XXIII.E) – Announce at start of The Fair Sex Phase. Cannot court her again.

Retirement (XX.A, D) – May be voluntary (announce at start of campaign season) or involuntary. Can result from royalist declaration in response to Card 38, The Abdication. Retirement lasts for entire campaign season. Income for rank M+2 down (w/IG increase). May practice swordsmanship (F+1), take a cure (H+2, or H+4 if wife/mistress), meet a lady/court or propose.
